FURNITURE

PAOLA LENTI

BLENDS PERFECTLY
WITH THE TASTEFULLY
SPACE OF

LONGHOUSE RESERVE

IN EAST HAMPTON

Paola Lenti's products, epitomizing Made-in-Italy craftsmanship, stand out for their exclusive upholstery fabrics, the result of thirty years of research and experimentation, and for their original and unmistakable colors. Within the Longhouse Reserve gardens, they find their finest expression because it is precisely from nature that Paola Lenti draws inspiration for creating her design elements, fabrics and materials.

In the Pavilion and Breezeaway areas, the warm and natural tones of the Kabà, Orlando, Harbour, and Vespucci sofas complement the orange-bordeaux accents of the Telar armchairs and the cushions in Maglia Rasata, echoing the chosen woods for the Giro table tops.
