VARYING SHADES OF NATURE'S FAVORITE COLOR ROLL INTO SUMMER

BELOW: Made from layers of stainless steel under gradients of folded green fabric, the Hana Arashi floor lamp collection from **PAOLA LENTI** comes in a trio of striking origami-like shapes. [paolalenti.it](http://paolalenti.it)

ABOVE: Born from a collaboration between **KELLY WEARSTLER STUDIO** and **ARCA**, the Nudo bench is made from individual blocks of stone that are hand-carved to form the piece's soft woven look. [kellywearstler.com](http://kellywearstler.com)
