## AGE OF ENLIGHTENMENT

Exquisitely simple, the La Lampe Parc lanterns from Maiori for Resource Décor illuminate indoors and out with a powder-coated, recyclable aluminum frame. Offering three different levels of light intensity to set the right mood, these timeless lights feature a U-hook for easy wall mounting and a base plate to affix to the floor. ## SPLASH OF LIME

From Paola Lenti for DDC, these stackable Amable chairs (far right) feature a covering in the designer's signature rope. Create distinct, convivial areas for resting and reading via the adjustable Bistro sunshade and the Clique side tables and seating accessories. [ddcnyc.com](http://ddcnyc.com)
